

TOWARDS A MOBILIZED MALAWI BY 2033 AD

In 33 AD Jesus gave the Great Commission to his disciples and the whole church. In 2033 AD, the global church will be celebrating the 2000th Anniversary of this mission on earth. Numerous initiatives have already started earmarking 2033 in their goals.

More than two dozen ministry leaders of significant global networks convened Dec. 5-6 2022 in New York City to combine their experience and insights toward the goal of Great Commission fulfillment by 2033. It is believed that the next decade is going to be amazing as we push together toward providing everyone on planet earth the opportunity to know Jesus as their savior.

As the global church begin to focus on 2033, we the Malawi Mission Mobilizers do not want to be left behind. Believing that the Great Commission will not be finished without Great Mobilization, and also looking at the status of our church in terms of missions, we will continue pursuing our agenda of TURNING MALAWI FROM A MISSION FIELD INTO A MISSION FORCE, by emphasizing Mobilization in the next decade. That is why we are calling this next 10 years, a DECADE OF MISSION MOBILIZATION.

We shall work hard to see the following 33 things come to pass in a Mobilized Malawi:

1. A Malawi where thousands of Mission Mobilizers shall be trained, mentored and deployed everywhere!
2. A Malawi where every believer shall be mobilized and find their strategic role in missions!!
3. A Malawi where every Pastor, Apostle, Teacher, Prophet, and Evangelist shall become a mission mobilizer!
4. A Malawi where missions shall become the driving force for every congregation of every denomination!
5. A Malawi where every denomination shall have their own insider mobilizers who will do the mobilization movement from within their own structures and networks!
6. A Malawi where every Christian fellowship, organization and ministry shall be mobilized for frontier missions!
7. A Malawi where every denomination and denominational leader shall be mobilized and become a viable sender of missionaries to the unreached peoples!
8. A Malawi where every student ministry in every college campus shall be mobilized, giving birth to a powerful student mission movement Malawi has ever seen!
9. A Malawi where all health workers in every college and hospital shall be mobilized, sparking a powerful medical missions movement to bless the nations!
10. A Malawi who shall partner or network with other international mobilization organizations and networks in contextualizing mission mobilization tools to be fully used locally for God's glory!!
11. A Malawi where more indigenous mobilization tools shall be developed and be used to educate, inspire and activate all believers for missions!

12. A Malawi where thousands of missionary candidates shall be identified, recruited, trained and deployed to the nations more than any other period in its history!
13. A Malawi where thousands of local mission partners and financial supporters shall be identified and given more opportunities to bless the work of missions with their wealth!
14. A Malawi where international Mission agencies working here shall include mobilization to their agenda resulting in the mobilization and deployment of multiple labourers to the nations!
15. A Malawi where more locally founded, led and funded mission agencies shall be established to accelerate the sending missionaries than any other time in history!
16. A Malawi where locally developed financial models to support its missionaries and missionary programs shall be created and used!
17. A Malawi where theological institutions shall put missions at the center of their curricular and every course shall be taught and learnt in the context of missions!
18. A Malawi who shall become one of the top 20 mission-sending countries in Africa
19. A Malawi where there shall be a powerful missionary movement among all Christian women!
20. A Malawi where there shall be powerful missions prayer movements everywhere!
21. A Malawi with zero unreached people groups!
22. A Malawi who shall become a committed financial supporter of frontier missions among all the Frontier people groups of the world!!
23. A Malawi whose Christian citizens in the diaspora shall be fully engaged in mobilizing the church and evangelizing the unreached peoples both at home and abroad!
24. A Malawi whose Christian musicians, worship leaders and worship teams in every church shall fully understand the connection between worship and missions and shall use their role to mobilize the church for missions!
25. A Malawi where all prayer ministries and networks shall be mobilized and shall prioritize missions in all their work!
26. A Malawi where Frontier Missiology shall be commonly and fully taught, understood, embraced and propagated by the whole church!
27. A Malawi where social media shall be flooded with mission mobilization messages through articles, podcasts, videos, audios etc!
28. A Malawi where all Christian writers and authors shall be mobilized and start publishing mission oriented inspirational and academic literature!
29. A Malawi where family altar mobilization shall be emphasized and embraced by thousands of Christian families!

30. A Malawi where churches and mission organizations shall work together in several mobilization networks and partnerships for God's glory!

32. A Malawi where an adequate number of Missionary Training Schools (MTS) shall be established and work effectively in training pioneer labourers to the nations!

33. A Malawi where Mobilization shall become the buzzword and where Mobilization as a legitimate ministry shall be understood, embraced and adopted by the whole church!

TASK FORCES:

To fulfil the above vision, Mission mobilizers shall be split into the following 15 Task Forces:

Prayer Task Force:

This is the hub of this initiative. It will be responsible for praying and mobilizing prayer for mobilizing Malawi. Their goal is to spark missional prayer movements across Malawi.

Mobilizer Training Task Force:

This task force is responsible for training and multiplying mission mobilizers. It will also be responsible for acquiring, developing, translating and contextualizing mobilization tools.

Youth/Students Task Force:

This task force will help to spark mission mobilization movements among youth and college students across Malawi. It will ensure that all Christian secondary school and college students in Malawi are mobilized for missions.

Theological Institutions Task Force

This task force will penetrate all theological institutions with the vision of missions. It is responsible for mobilizing theology professors and students for missions. It will also advocate for the "missionizing" of Bible college curricular.

Pastors/Congregations/Denominations Task Force

This task force will mobilize all church leaders at all levels for missions. This will influence all congregations of all denominations to embrace missions. It will also help to train insider mobilizers for every congregation and denomination in Malawi.

Family/Children Task Force

This task force will be responsible for mobilizing all Christian parents to mobilize their children for missions. Sunday School teachers will also be mobilized through this task force.

Medical Missions Task Force

This task force will bring the vision of missions to all health workers in Malawi. The goal is to see many health workers being deployed as missionaries among the nations.

Women in Missions Task Force

This is responsible for mobilizing all women in Malawi for missions. It will work across all denominations and organizations leaving no woman behind in vision.

Malawi Diaspora Task Force

This is a task force will mobilize all Malawian Christians working and living outside Malawi. They will be mobilized to mobilize the church or evangelizing the unreached.

Arts and Media Task Force

This task force will mobilize all Christian musicians, singers, writers, IT specialists and graphic designers for missions.

Missionary Training Task Force

This task force will ensure that all missionary candidates in Malawi are trained well for Frontier Missions. It will track all missionary training schools in Malawi and what they are doing in training for the Unreached peoples. It will develop goals for all missionary Training schools by the year 2033.

Mission Agency Task Force:

This task force will track and unite all mission sending agencies in Malawi who are passionate for the Unreached peoples. It will mobilize these agencies to send towards 2033. These agencies will formulate goals for 2033.

Mission Research Task Force:

This task force shall ensure that all information needed for praying, mobilizing, training and sending is up to date. It will answer questions like:

How many churches and denominations in Malawi are mobilized? How many Pastors are mobilized? How many mission agencies and missionary training schools are there in Malawi? How many unreached people groups are in Malawi? How many missionaries are sent by the Malawi church?

Men in Missions Task Force:

This task force is responsible for mobilizing professional and businessmen for the Great Commission. Its goal is to ensure that all Christian men in all denominations in Malawi have been reached with the message and vision of missions.

UPG/FPG Task Force:

This is a task for all Malawian missionaries working among the UPGs/FPGs in Malawi as well as outside Malawi. It will include both missionaries, Pastors and welcomers who are focused on Frontier Missions. These labourers will push themselves towards 2033.
