

The Anatomy of a Missionary

Height

Tall enough to see over today's problems into the future filled with the promises of God.

Voice

Quick to speak of Jesus Christ. Often breaks into laughter. Usually able to communicate in two or more languages.

Hearing

Can listen for long periods of time. Able to distinguish between what is necessary to remember and what is best to forget.

Feet

Ready to walk anywhere in order to speak for Christ. Often seen trying on other people's shoes.

Shoulders

Broad enough to carry responsibility

Vision

Clear and undistorted. Tears not unusual.

Hands

Ready to help 24 hours a day.

Mind

Open. Filled with the Word of God.

Head

Frequently bowed in prayer.

Heart

In love with God. Full of concern for others.

Spirit

Alive

Overall Summary

Controlled by the Spirit of God. Bears resemblance to Jesus Christ.
